INTERLACHEN

OUR HERITAGE

"Man takes a positive hand in creation whenever he puts a building upon the earth beneath the sun. If he has birthright at all, it must consist in this: that he, too, is no less a feature of the landscape than the rocks, trees, bears or bees of that nature to which he owes his being."

A HUNDRED YEARS AGO—Founded on the desire to go forward and the belief that knowledge does for the mind what faith does for the soul of man the Methodist Educational movement was started in Florida.

TODAY our modern institutions stand as a monument to this belief and a promise that the growth of a century is but a small beginning . . .

DONNA STODDARD

DEDICATION

As head of the Florida Southern College Art Department, Donna Stoddard has forwarded the progress of art, not only on campus, but throughout the United States. She is a living inspiration to all with her gaiety, charm, zestful personality, and warm smile. As a student and instructor she has given twenty-one years of loyalty and service to the college. She has contributed to the progress the college has made over these years as it grew from two buildings to the campus of today. She is a friend to all, always willing to help. With grateful and sincere appreciation we dedicate the 1954 INTERLACHEN to DONNA STODDARD.

This is an abstract of a Florida
Southern College student pre-
paring for a semester examination.

ADMINISTRATION

CHANCELLOR JOSEPH FAZZANO

HONORARY CHANCELLOR OF FLORIDA SOUTHERN COLLEGE

Mr. Joseph Fazzano of Providence, Rhode Island, one of New England's most successful manufacturing executives, has reigned this year as honorary chancellor of Florida Southern College. As a patron of the

arts, Mr. Fazzano owns one of the nation's most elaborate art collections. He became acquainted with FSC during the 1952 Founder's Week when he attended the International Art Exhibition.

THE PRESIDENT

DR. LUDD M. SPIVEY

PRESIDENT'S MESSAGE

From the vantage point of this historic year, we can look together with pride upon the paths we have trod, and with hope upon those yet to be traversed.

Our pride is understandably full this year, the 100th Anniversary of Methodist Higher Education in Florida. It was in the little community of Micanopy just a century ago that our Methodist pioneers founded our College. Later, in Orlando, Leesburg, Palm Harbor and Clearwater, the fledgling institution progressed, withstanding adversities which would have discouraged the less resolute, and in 1923 was transferred to its present site in Lakeland.

During twenty-nine of the thirty-one years which have come and gone since the College moved to Lakeland, I have written the President's Annual Message for our INTERLACHEN. It is with particular satisfaction that I do so this anniversary year. I am mindful, too, of the gratification which is the heritage of the Class of 1954, for its members will carry with them through their lives the numerical symbol of this anniversary year.

The paths ahead are bright with expectation for the fulfillment of our mutual dream: the completion of our Frank Lloyd Wright buildings. Together we can carry our idea and ideal to reality, so that you and your sons and daughters can glory in America's most esthetically impressive campus, born of our shared devotion to wisdom and enduring art.

Enthusiasm is the keyword of the Southernettes, a spirited organization for non-fraternity women. One of the main purposes of this group is to achieve co-operation between sororities and non-sorority women. The fact that the Southernettes are active in almost every type of campus activity (including athletic, entertainment, governmental, journalistic, honorary, and musical fields), is proof that this organization is representative of the typical, versatile feminine personalities of Florida Southern.

The Vagabonds of Florida Southern College are organized in the interest of providing mutual aid and encouragement to students of drama and speech arts.

Eligibility for membership will be determined by the club as designated in the constitutional by-laws. Initiation into the Vagabonds requires each pledge to put on a small skit of his choice plus payment of a small initiation fee.

Outstanding students of talent in the field of drama must be Vagabonds, which is part of the requirement to become a member of Alpha Psi Omega, the National Honorary Dramatic Fraternity.

This year the Vagabonds are rapidly moving along, having recently elected new officers, initiated several new members, and having made plans for greater organization and outstanding entertainment for the coming year.

CONCERT CHOIR

The Florida Southern College Concert Choir is composed of thirty-six trained young singers, carefully selected for the honor of participating in an organization which presents stimulating and joyful entertainment to hundreds of thousands of listeners each year. Under the capable direction of Dr. Charles A. Woodbury, the choir brings forth all the warmth, color, and brightness of the South.

These students who comprise one of Dixie's finest choral groups have delighted audiences in personal appearances in the South and East and throughout the entire nation during the past two years over the network facilities of the National Broadcasting Company.

Now in its third year, the Concert Choir has won such acclaim that it can no longer meet the ever-growing demand for programs. Before the end of the season, it will have been heard by a hundred and fifty thousand persons in concert's from Miami to Boston, and from Tampa to Washington.

There the students study, play cards, chess, checkers, ping-pong and dance. The annual Christmas dance is the feature presentation of the year although the Student Union also sponsors and runs many small dances and outings.

The Union provides the balance in social activities for all the students and an opportunity for them to join in planning and carrying out of their own special program.

One does not have to be a Home Economics Major to be admitted into the organization, but she should have an active interest in the field.

Activities during the year include baking cookies to secure funds for the department, and entertainment for the orphans in this area.

The Guild Student Group on Florida Southern College's campus is a member of the American Guild of Organists. The objects of the guild are to advance the cause of worthy church music, to elevate the status of church organists, and to provide members with oppor-

tunities for meeting and discussing professional topics.

Any student studying organ at Florida Southern may become a member of this group. Each year, in addition to regular meetings, an organ recital is given for the public featuring student organists.

AMERICAN GUILD OF ORGANISTS

CITRUS CLUB

The Citrus Club was organized in 1950 to further the interest of citrus study at Florida Southern. Membership is composed of students in the Citrus Department, and also students who may have interests in this field.

Besides the regular meetings held monthly, the club has had frequent outings and field trips. This year the

club toured the Indian River citrus area on the East Coast. Another interest of the club this year was a campaign to raise funds for the purchase of a movie projector for the Citrus Department.

With the growing interest in the field of citrus today, the Citrus Club hopes to better the relationship between student and the industry.

OMICRON DELTA KAPPA

Florida Southern Circle of Omicron Delta Kappa, national leadership honor society for men, was organized April 7, 1951. Since its organization it has made rapid strides and is now recognized as the outstanding circle in the Southeastern Province.

Omicron Delta Kappa recognizes junior and senior students of outstanding character who have attained special distinction in one or more of the following phases of collegiate activity: scholarship, athletics, social and religious affairs, publications, speech, music, and dramatic arts.

The purpose of the Omicron Delta Kappa Society is threefold: first, to recognize men who have attained a high standard of leadership in collegiate activities, to encourage them to continue along this line, and to inspire others to strive for similar conspicuous attainments. Second, to bring together the most representative men in all phases of collegiate life and thus to create an organization which will help to mould the sentiment of the institution on questions of local and intercollegiate interest. Third, to bring together members of the faculty and student body of the institution on a basis of mutual interest, understanding, and helpfulness.

Dear Miss Klinehart:

It was a pleasure to read the 1954 section of the 1954 T. R. E. E. All of the contestants were most attractive young ladies and I only wish that I might have been able to meet and talk with each one of them personally. It is very difficult to make a selection from photographs alone. A girl's personality plays such a very important part in determining her real quality of beauty.

My selection was aided by my ever-ready interest in the T. R. E. E. The five winners were chosen for (a) features and contours of the face, (b) alertness and awareness of intelligence and (c) femininity and charm. They are:

1. #14
2. #11
3. #5
4. #7
5. #13

Our greetings to the winners as well as all the contestants to you and your fellow staff members at the T. R. E. E. All very best wishes for a highly successful yearbook.

Sincerely,
John Robert Powers

Our lovely Asden Wolfe was nominated for the Maid of Cotton contest this year . . . Also Asden, Doris Becker, Corney Peacock, Naomi Pollock, and Diane Von Eitzen were finalists in the "Miss Interlachen" contest . . . We were also extremely happy to welcome our new chapter in Tampa which was pledged by Beta Omicron . . . But proudest of all we are to be able to boast of the biggest, and in our opinion the best, pledge class on campus this year . . . It has been a marvelous year for all of us and we unwillingly leave it with all the pleasant memories to be forever kept in our hearts.

MILITARY

THE COLOR GUARD

The R.O.T.C. at Florida Southern College was first established as a Military Police Corps unit in May of 1951 with Colonel Glenn G. Dickenson as its Commanding Officer.

Since its formation three years ago, the R.O.T.C. on Southern's campus has grown in spirit as well as in numbers. From an original enrollment of less than 250 cadets, the unit has now grown to nearly 400, prompting the organization of an M.P. Regiment.

A continuous program of improvement has resulted in the transformation of the old art building into an efficient M.P.C., R.O.T.C. Headquarters. The construc-

tion of a small bore range in Edge Hall, and the renovation of four classrooms followed. In 1953, classroom No. 2 was designated as the Cadet Regimental Headquarters, and it has been made attractive through the work of the cadets.

In August 1953, Major Herbert L. Key, Jr., replaced Major John T. Stansill as Assistant Professor of Military Science and Tactics.

Perhaps the truest indication of the development of the R.O.T.C. unit has been the increasing amount of confidence and responsibility placed in the cadets themselves, and the propagation of an honor system among the Advanced Corps cadets.

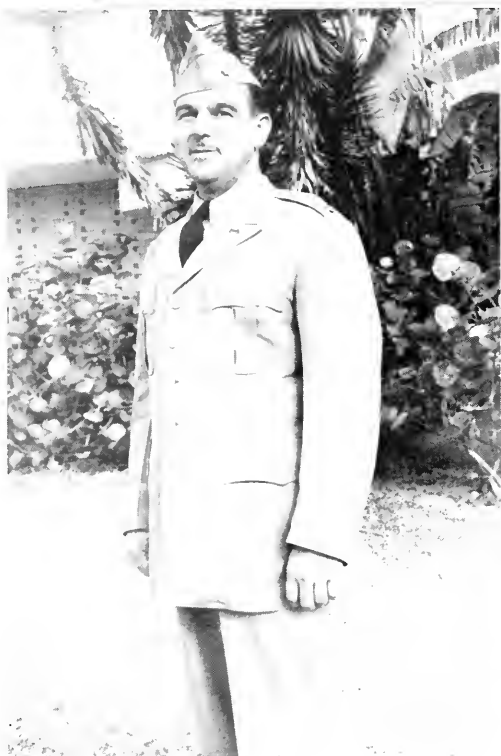

GLENN G. DICKENSON

Colonel, U.S.A., M.P.C.

Colonel Dickenson, a veteran of the famous 5th Armored Division in World War II, was assigned to F.S.C. from Korea, where he was in command of prisoner of war camps. He is the Professor of Military Science and Tactics and Commanding Officer of the R.O.T.C. at Florida Southern College.

In 1953, Colonel Dickenson was elected to membership in Omicron Delta Kappa, the national honor and leadership society.

HERBERT L. KEY, JR.
Major, U.S.A., M.P.C.

Major Key was assigned to F.S.C. from the Provost Marshal General's School in Georgia. During World War II, Major Key served in the China-Burma-India Theater and was engaged in three campaigns there. He has been selected as advisor to the Junior Class, Theta Chi fraternity, and the Men's Council for the school year of 1953-54.

LOUIS O. GIUFFRIDA
Captain, U.S.A., M.P.C.

Captain Giuffrida was assigned to F.S.C. from the combat zone in Korea where he was company commander of the famous 7th infantry division. During World War II, Captain Giuffrida was an officer in the U.S.M.C. and served in the Pacific Theater of operations. In 1953 Captain Giuffrida was selected as a member to Alpha Psi Omega, the national dramatic society.

ARTHUR J. MCKINNEY, JR.
Captain, U.S.A., M.P.C.

First Lieutenant McKinney was assigned to F.S.C. from the combat zone in Korea where he was a detachment commander at Wonju and later, operations and executive officer.

Florida Southern's varsity basketball five under Coach Bill Clipson won six games this season and dropped 13 in regular play. In the Dixie Conference tournament held in Macon, Ga., the Mocs lost two games: a 90 to 58 game to Mercer, the winner, and a

74-70 decision to Mississippi College in the last minute of play.

Clipson utilized many freshmen in the season and therefore should have a well seasoned squad back for play in 1954-55. Most promising frosh were Chuck Morrell, Hank Barlow, George Peterson, and Charlie Black.

Southern tallied 1354 points for a game average of 67.7 while the opposition totaled 1538 for a 76.9 average per contest.

COACH ROY COUCH

Florida Southern's 1953 varsity crew finished the season with a record of seven victories and three defeats. The losses came at the hands of Rutgers, La Salle and Rollins, the latter in the race for the state championship which the Tars won by one-half boat length.

Coach Roy Couch was back at the helm in 1954 and in the Mocs first race Feb. 4, Wisconsin's Badgers outstroked Southern by two boat lengths. This race was not an expected victory for Couch's men however, as Wisconsin was rated third in the country in 1953.

Returning to this year's club were Charlie Nelson in the bow position, Skip Abbott in No. 2, John Frasz at 3, Ed Pecora at 5, Dick Lark, Capt. and No. 2 man, and Steve Potz at stroke. New members are Dick Nagy, Bob Droste, and the coxswain Tom Karahalios.

This year's Jay Vees had a strong record to uphold. The 1953 team won nine and lost one, their only defeat coming in the Dad Vail Regatta in Philadelphia. They finished fourth in that event. The 1954 squad again won the state championship.

The Jayvee Crew, which in 1953 won nine and lost one. This season they won the Founders' Week Regatta and the state championship.

BASEBALL

As this annual goes to press the 1954 version of the baseball Mocs have split a double header with Sanford Air Force Base, losing the first 6 to 5 and winning the nightcap 10 to 8. In the final game, Southern outlasted a five run Sanford rally in the last inning to win.

Returning to this seasons' team, which in 1953 won 16 and lost 4 while copping the Dixie Conference title going undefeated, are Al Huff, Walt Krauss, Howard Smith, Charles Selph, Frank DeSavino, Ken Vanoski Jim Appledorn, and Dino Fanelli.

Coach Jim Lease is again at the helm for his fifth year at Southern, and seems to think that this season's club can equal the mark set in 1953 because they have more depth.

Lease appointed Charles Selph as captain and the team elected Ken Vanoski to be a co-captain with him. Selph hits in the neighborhood of .300 and Vanoski belted the pill at a .323 clip last year.

The starting nine is composed of Dan Weinburg at first, Charles Wilbourn, a new comer from Hofstra College in New York, Selph at short, DeSavino at third, and Tom Panico, a first year man, behind the plate.

Any of three men could win starting berths in the outfield. Those vying are Appledorn, Vanoski, Joe Embry, Tom Bowen, Ned Biddix, and Ray Gatlin. All saw action in the first two contests.

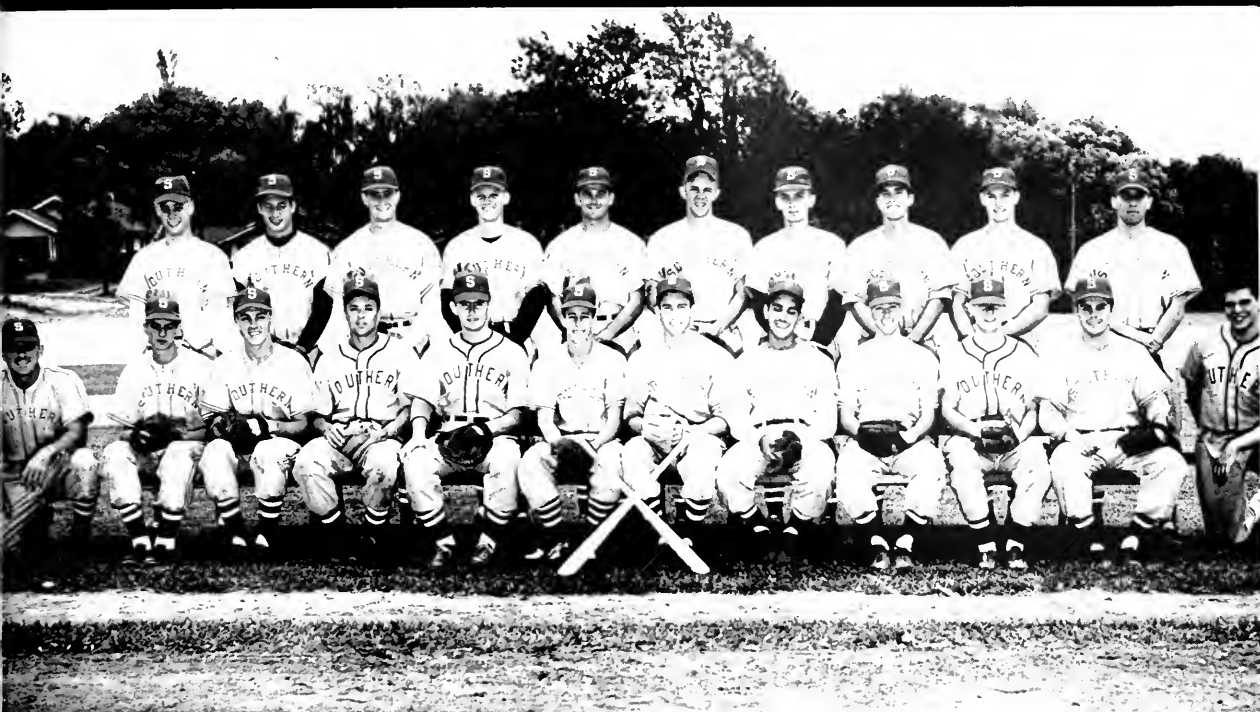

The pitching chores are being handled by Fanelli and freshman Dick Hagstrom who will start most the games. Walt Krauss and Clarence back up the two starters.

With the utilization of many freshmen Coach Lease is building for the future in hopes of more Dixie Conference winners.

Coach Sam Luce's varsity tennis team in 1953 won the Dixie Conference championship with the superb playing of individual trophy winners Dick Gardner and Shiro Yamaziki. Others on that club were Griff Jones and Cooper, all four of whom are returning for another season on the courts.

The 1954 squad has seen action in two matches, winning one and losing one. The win came against St. Petersburg Junior College, an easy nine to nothing victory in which the Southern netters lost only two sets. The loss was a one sided affair going to Florida State University 8 to 1. The Mocs were able to take only one doubles match in the defeat.

The Mocs will attempt to uphold their Dixie Conference record at the end of the season in Macon, Georgia.

Under President Skip Abbott, the varsity "S" Club this season was the most active organization on campus.

As in 1953 these letter winners canvassed the town for funds for the athletic field, so that the baseball team would be able to play all their home games on campus instead of at Henley Field or in Bartow or Plant City.

All money raised by the group, which was in the neighborhood of \$1500., was matched by Dr. Spivey.

The "S" Club now has its own meeting room and a television set. Special nights are set aside for study, dates dinners, etc., and the organization is rolling smoothly.

Baseball Coach Jim Lease and Dean of Men Roger Sinigo have been the faculty advisers this season.

Memo from the Editor:

Out of the orange grove rise the buildings of Frank Lloyd Wright, and out of the student body of Florida Southern College comes the staff of the 1954 INTERLACHEN. This loyal staff has worked long, hard hours to present this publication. When the going was rough, some of the staff members — being human — wanted to give up; but after a spark of encouragement, they rallied with more spirit and enthusiasm than before.

Words are too ineffective to express my appreciation for the loyal, untiring efforts of the 1954 INTERLACHEN staff—a staff that could laugh a little, cry a little, play a little, and work a lot. To this staff, I say sincerely, "THANKS!"

The staff extends its thanks to the many who have helped to make this publication a success.

And now we present this edition of the INTERLACHEN to you, hoping, that in the years to come you will look through its pages and relive some of the important events of your College life.
